Chapter 1 by Stella

Monsters are scary
They hide under the bed
And in my closet
And in my head
Then at night
I hide in fright
But my blanket protects me
When the lights turn off

Monsters are great
They have personalities
And different traits
Some are fuzzy
And some are scaley
And they don't come out at night
When I write stories
They are the main characters
In fact,
I believe some humans
Are monsters
